- A. Any defects due to improper and unreasonable use or failure to perform necessary maintenance.
- B. Any damage due to settlement or structural defects.
- C. Any damage due to acts of God, hail, lightening, wind, etc.
- D. Intentional neglect, accidents or exposure to chemicals or pollutants.
- E. Damages caused by improper storage, handling, or installation.
- F. Broken glass or torn screens.
- G. Any modifications or repairs done by unauthorized representatives.
- H. Condensation not within the sealed unit but on the surface of the glass can be considered normal due to temperature changes and humidity levels within the home.

## MAINTENANCE AND CARE OF YOUR WINDOW

Semi annual cleaning of windows is recommended. A mild household soap may be used. Caution: Do not use abrasive chemicals or materials in cleaning.

Light lubrication of all moving components is recommended semi annually. Following these simple procedures will guarantee you many years of pleasure.
